Sub:-Reservation of Forest Block Extension of Honkery.

Ref:-Your Lr. No.REV-204/LND/62-63,dt.20-11-1962.

With reference to the above subject, I have to report that in the village Kollar (Khurd) this department has taken an area of 120 acres 26 guntas, from the sv. No. 815x 36 L.No. LND. FOR-62-63/695/3653, dt. 25-7-62). Even if this department has to leave this 120 acres 36 guntas, from the forests the problem of reserving the required grazing area cannot be solved. Moreover, the area 120 acres 36 guntas has already been planted when Bidar was in the afforestation Division. This plantation was raised in this block about 7(seven) years back. Therefore this block is open to grazing as per Govt. Orders. The present proposal does not affect the grazing position as pointed out by the Tahsildar in the letter cited above.

In the Atwal village, this department has proposed only the Sy.No.18 having an area of 33 acres 33 guntas. This area is also covered by a plantation raised about 7 years back. Whether this Block is notified now, as reserved or not, the grazing position does not get affected, as this area is open to grazing free of charge. If sufficient area as gain is not available in a village, nothing can be done. I have already made it clear that by declaring this area as reserved, matters are not going to change. A copy of the Chief Conservator of Forests, Bangalore letter No.1.B-6-21/1571/58, dt.20-12-1961 is enclosed herewith for favour of your ready reference. Hence I request you to kindly forward the draft notification to the Conservator of Forests, Bellary for further action.
